B. CAUSE OF ACTION

On the space provided on the following pages, tell what specific incidents or conversations occurred which led you to believe your constitutional or federal rights have been or are presently being violated. IT IS IMPORTANT THAT THE ALLEGATIONS BE BRIEF, BUT SPECIFIC. Do not cite legal authorities, such as earlier court decisions or laws enacted by the legislature or Congress, to support your lawsuit at this early stage of your case.

Public
Library
Children's
Room

One MUST understand the WIS. Library Association was meeting in Milwaukee 11/1, 2, 3 and 4.

It is now 3 pm Sunday 11/13/2011 and the Shorewood, WIS

Public Library closes at 3:30 pm. I will do my best to start this complaint or lawsuit.

① I am a master degree librarian plus being a master degree social worker. Both degrees from UWM - 12/68 + 8/74. My first civil rights lawsuit - brought into federal court on the advice of the State of WIS. EEOC Commission our Milwaukee State office Building - was against the City of Milwaukee Public Library for discrimination in NON HIRING. Chief judge Mr. Terrence Evans was still alive then (Kaddish, he died this year unexpectedly at age 71 (I will be 71 in late November) and in Milwaukee and he was a PAUPER PRO SE litigant - No one to help me. I was in the federal courts OR thereafter to this very day. I recall that, because what happened on Friday afternoon 11/4/2011 is so ludicrous in a way - so impossible to justify. I have been buying used books at the Central Library since I moved in my new apt - probably in Oct 2011 when I had some extra income. Recently I owed them 10.00 but had written that down to 1.00 for a play lamp at midnight. (They will hold 10 books for 1 week.) So Friday afternoon I went to keep my word and pick up that one book. Before I did that however I went to the MR. Frank Zeidler Memorial Humanities Room on the 2nd floor of Central Library and gave them 2.00 for recent xeroxing. I could not pay for at the moment. I had some money.

P. 2

(P.3) Sunday 11/13/2011
 might have written another commendation on the help of
 the reference librarian staff there. - material I had
 used to supplement my last MASSIVE Supplement
 on 11-CV-680 WMC - ^{full} books and articles.

After leaving \$2.00 ^{with humanized staff} I went out side the main
 doors of the Central Library into the outer lobby and to
 their used bookstore/coffee shop. I did pick up the
 one book on hold for me for 1.00. But I thought I'd
 browse a little (I like books). I was trained as a
 public library librarian - children's work)
 I did browse and got about \$14.00 more worth of
 books. A good number of children and teenage books
 etc. That made me happy. I have been giving
 books away to the St. James Church and St. John's
 church where I get free food, the Holy Trinity Russian
 church (books in Russian), and Mrs. Rhoda Cohen
 married in a wheelchair, age 86, at the Jewish Care Home
 whose blessing recently after a Shabbat service I
 do believe saved my life the next day as I
 couldn't stop the bleeding of my left leg. - - -

I am RARELY happy. In a fit of
 (I guess), ill-advised emotion I leaned over
 Mr. Witherspoon, ATA slight male 6'4" security
 guard sitting at a table in the used bookstore
 drinking coffee or soda & talking to someone, and lightly
 ever so lightly kissed him on the top of his little
 hair head. I said nothing. I paid for my books -
 got them in a big bag and left.

The library is closing so I'll stop here for
 now.

Please go now to page 4. I am back at the
 same library only it is now M 11/14/2011 about 2:45pm
 I would dearly like to finish this today. One of my
 very closest friend's mother died last night
 and it weighs on me. - Frankly what she
 endured and what I have seen and lived through
 somehow seeing - elderly people endure. - - -

(P. 4) Monday 11/14/11 Complaint
 So I left the used bookstore/cafe with my immense bag of books and walked into the MAIN lobby of the library - the lobby before one enters the library itself. As I pondered how I would get all those books home on the bus Mr. Witherspoon came up to me with a large A/A female Security guard with him and he told me I had to leave the library right then and there for inappropriate touching of staff. Well I was leaving - But it rancored me that this man who I had just honestly and sincerely KISSED (with no ulterior motive - I could be his grand-mother) would be, now please forgive me, so low, so rotten as to come out and bully me along with a female, a woman Security guard -

This very same Mr. Witherspoon who I probably kissed because he was one of the rare people who EVER said to me - Mary - are the City of Milwaukee Police still after you? That was this summer or fall. My God, the poor man - a fit of Compassion he could Not choke down. God bless him for that. I blessed him then out loud. I do so now. Yes I am being generous emotionally and spiritually. He has hurt me badly other times but that MOMENT of TRUTH SAYING from him gave him in my mind & heart some NOBILITY. Well in a moment of anger I simply said NO to him - No I will NOT be treated like this after 17.00 to this library, after kissing your head - I simply cannot take this behavior from you and this library. He INSISTED. The lady guard Smiled broadly. That upset me too. I don't like UNcompassionate women at all. So I again I asked him - what on earth is going on - ? WHY are you doing this to me? He INSISTED again. That was just too much. I walked INTO the Library and yelled at Circulation staff -

Please Get The Librarian In Charge.
 Well they tried I guess. all the time Mr. Witherspoon by me - close by me and now the white male BULLY head of library (Non-Prisoner Complaint)
 Security may have one - Mr. Michael Weber.

I kept asking Library Librarian in charge as I abhorred
Leaven's sake to get the Librarian in charge as I abhorred
how I was being treated. I verbalized that. Finally
an immense white woman ^{really} poorly dressed (it may have been a
large man in drag I don't know) came and told me in
no uncertain terms to calm down, not shout or yell, be
quiet etc. She treated me - an older white ^{well} educated
woman and a frequent user of many libraries and one of
the few people I know who goes to City of Milwaukee Library
Board meetings - as an unruly child. She urged me to
walk outside into the lobby.

Her attitude (another woman)! on top
of wither spoon + the AFA woman ^{and} - just was
too much. I simply said I will not leave -
where is Paula Kiely?, where is MRS CHRIS
Artenberg (another high ranking librarian)? -
Now a large AFA woman library aide had come to the
circulation check out and she said she called those lines and
there was no answer and she left a message. I thanked
her & urged her to try to continue to get them saying I
could not deal with the librarian in charge I had talked to
so far. Now Mr. Weber said I absolutely needed to
leave. He might have said I'd be banned from the
library for 30 days or more. I don't recall. Frankly I
intensely dislike this white man. Intensely! I said
no way. He said he'd call the City Police. I said go
ahead. I have SO MANY FEDERAL LAWSUITS
against them already and have just
MASSIVELY SUPPLEMENTED my most recent
federal case vs them - one more federal lawsuit
vs them and YOU won't hurt. Well I waited
and waited. No one came. So I decided to leave.
No ^{other} librarian in charge came. No police. As I
stepped & stepped out the front door - ~~be~~ close to
the front door - low & behind here come 2 City of
Milwaukee white male bullies - 2 more white
male bullies. I KNOW - I really DO KNOW -

(P. 6)

This is not the best English or most polite or most "lawyerly" choice of words)

But I do remind Judge W.M. Conley how MANY MANY times I

have talked about these police people and

NOTHING HAS BEEN
DONE TO THEM—

only to me — it keeps on & on & on.

Frankly to say I am — what can I write — despondent?, don't care any more how I describe them — angry, outraged, besides myself etc etc etc —

is true but it goes so much much deeper. And I HAVE written you about that rather endlessly. It is Beyond the evil police — it is OUR Culture that does Not honor truth or decency or compassion or caring or being responsible; educated, well-attended, concerned for oneself & Others —

So MR. Jose Alba ^{police officer} took my driver's license and sat in a marked

Monday 11/14/2011

(P. 7)
 City of Milwaukee Squad came in front
 of the Library's main entrance on
 WIS. Avenue. I told him and his
 white male partner there were no
 warrants outstanding for me. MR.
 Witherspoon + MR. Weber stood outside
 too and watched all that was
 happening. It seemed 15-20 minutes
 that Mr. Alba was in the Squad. Meantime
 his partner came very close to me - very-
 within an arm or arm + a half length of
 me and asked me questions. I told him
 to move away and not crowd me please.
 He would not move. He finally got
 out a little round can or container and
 insisted on taking my first 2 right
 hand fingerprints. I protested. He said
 I had to allow it. Finally I was given
 a disorderly conduct ticket for \$85.00
 and allowed to leave. MR. Weber gave
 me a slip of paper saying I could
 not come back to the Central Library
 or any City of Milwaukee library until
 the municipal citation was taken
 care of. Please see Exhibits - + -.

I left. On Saturday 11/12/2011
 I went to the Shorewood Post Office
 and sent off a certified letter
 with a green card to be returned
 to me to the Clerk at Municipal
 Court pleading Not Guilty.
 That went out at 12:45 pm.

Complaint

(P. 8)

Monday 11/14/2011

I made copies ^{of the letter} for myself, for federal judge M. William M. Conley in MADISON, WISCONSIN, and for information only a copy for Mrs. Shirley Abrahamson, Chief judge of the WIS. Supreme Court in MADISON. Those copies to Mrs. Abrahamson and federal judge Mr. Conley have been sent out.

However as the week went on - after that Saturday - I looked in my P.O. Box and no green card was there from the Municipal Court - Clerk's office - City of Milwaukee. So I went to the Municipal Court and talked to one of the 3 front line staff on duty. She said she would check to see if my letter and Not Guilty Plea had come. She came back and said it had and that the green card would be coming back to me. To date, it has not come. I asked if I could get a trial to the judge readily. She said no. My court date was for 12/27/2011. at that time the Municipal Court would write me and give me another date. at that later date I would meet with the City Attorney staff. I asked if I couldn't do that now as I was being banned for a good half of November 2011 and December 2011 from all City of Milwaukee libraries which means in the cold and snow I have to travel miles to go to a library. I asked to speak to a supervisor. Another A/A female came MS. ____ the Supervisor. She was kind and listened and suggested I talk to City of Milwaukee Attorney Staff in Room 205

upstairs one floor in the Police Administration Building. I went there and a white younger woman, nice, but with her breasts exposed when she leaned over at all sitting at her desk - the receptionist assured me NOTHING could be done.

2 white male City Attorneys also shouted out the same and said if I didn't leave and didn't stop protesting the injustice of it all the police would be called and I'd get another ticket. I did leave but only after referencing the recent 3 part MIS series on the City of Milwaukee Police and their deficiencies.

I made it very clear this would be a federal lawsuit. I asked where the City Attorney Mr. Grant Langley or Mrs. Susan Lappin were. One of the 2 white male City Attorneys said they were located in the Municipal Building not City Hall as their offices at City Hall had been ruined during construction there. I left the 2nd floor and the building. I saw a number of City Police people there - men and women. I have not gone to the office/s of ^{MR.} GRANT Langley or Mrs Susan Lappin. I am proceeding with this federal lawsuit.

I have a few things yet to add about that Friday afternoon and the security guard from the Central Library. I will add that later. It is now

I'll close for now.
